Details of Events:		
 <p>A hand-drawn sketch on lined paper depicting a scene of a crime or accident. In the center, a person is shown lying face down on the ground with their hands behind their head. To the left, there is a simple drawing of a car. To the right, several police officers are depicted, some standing and some appearing to be in motion. The drawing is done in a loose, sketchy style.</p>		
<p>Steve & I were leaving his house. I witnessed the suspect who appeared to be unconscious with his hands handcuffed behind his back. His face was facing south. The Police officers were laughing in a group. One was opening the white Honda Civic in the driveway. No officers were attending to the suspect or moving him.</p> <p>closer of Police officers</p>
